

Lansdowne House

Wedding & Event Pack

Wedding venues in the Wairarapa?

The first and still the best wedding venue in the Wairarapa that springs to mind has to be Lansdowne House. Nestled in an acre and a half of beautiful grounds with soaring majestic trees, rose gardens, gazebos, waterfalls and more, Lansdowne House is a premier wedding venue that has everything a bride and groom could wish for. With its historic significance as the largest house in Masterton and its romantic beginnings,

Lansdowne House has to be seen to be fully appreciated. As a wedding venue it is licensed for 150 people and boasts a huge ballroom that seats more than 120 guests comfortably. With a smaller more intimate dining room for romantic dinners and smaller weddings, a light and airy lounge bar opening onto a brick walled courtyard, three open wood fires and the warm glow of candle light.

Lansdowne House has something for everyone.

As a wedding venue in the Wairarapa, Lansdowne House has so much to offer. The house itself is unique with wood panelling, sparkling chandeliers, polished wooden floors and antiques aplenty. Outside the gardens have been extended and enhanced to offer several private areas for the ceremony itself either in the red & white rose garden or under one of the huge old trees. Whatever the weather, whether inside or out, Lansdowne House can provide you with a special, very private venue for the wedding ceremony itself as well as countless photo opportunities to record your special wedding day with all its memories.

If you are thinking of having your wedding in the Wairarapa there are other things you need to consider as well as the venue. These include designing a very special 'wedding breakfast' to celebrate your marriage and commitment to one another as well as having warm, friendly, well trained staff on the day who will make you and your guests feel welcome and 'at home'. The accommodation, too, needs to be arranged and all the little details that go into making your wedding in the Wairarapa perfect need to be organized. At Lansdowne House it is our very special pleasure, free of charge, to assist you to organize and arrange your wedding so that no stone is left unturned, everything from our very special honeymoon suite, our wedding accommodation package, a 'one off', sumptuous menu, the flowers and the music, the table colours and settings, special touches like Grace & Favours as well as organizing the wedding rehearsal and brunch for your guests the day after the wedding. All of these things and more we can help you with at Lansdowne House so that your wedding day in the beautiful Wairarapa is special, unique and perfect.

Your wedding day:

Lansdowne House is a truly unique and magical venue. It has old world charm and an ambience which cannot be duplicated in modern establishments. With spectacular polished floors, gorgeous chandeliers and splendid antiques, you have the opportunity to make your special day one of a kind.
